--Argentine officials have proposed a "dialogue" between Washington and Buenos Aires on human rights. *The precise nature of what the Argentines want to discuss or hope to accomplish has not been made clear, however, and desire for such talks within the regime is far from unanimous. There is no recent evidence of significant change in the human rights*

3.3(b)(1)

situation in Argentina, but [redacted] *President Videla hopes to end illegal detentions of persons not involved in terrorist activity, and is considering the application of procedural safeguards to terrorists as well. Videla will have to convince the military heirarchy that these moves should be made, however, and this will be especially difficult where actual terrorists are concerned.*
